There are 2 important

→ **Areas of social Work and social entrepreneurship**

We like to show our Participants the different areas of social work. This topic we split in 3 points.

The first one is **theory**: What i need to became a social worker? What areas are available in the social work?

The second one is **practice**: so we organize groups and give the Participants the opportunity to take a part for one day in a social job.

The third one is **social entrepreneurship**: We show the participants what is social entrepreneurship? We visit different Social Companies in Vienna.

→ **Project Management:**

We like to show the participants how to create a youth project?, what is Erasmus+?, and then we organize in vienna one Project together. So the participants have the chance to organize a real project, promote the project and carry out this project.

**Hosting Organisation:** "Street Art - Association for innovative youth work" is a Youth Organisation. We work with young People between 14 and 23 years. Our main topics are Youth unemployment, youth empowerment, Art Projects, and Sport activities.

**If you are interested** please send a short description of your Organisation and your experiences in the youth work to **Pero Bogdanovic** [strassenkunst2014@gmail.com](mailto:strassenkunst2014@gmail.com)

**Deadline 12<sup>th</sup> January 2015**
