

CALL FOR PARTNERS

Training Course " It's up to you! - ICT for Youth Employment"

Vukovar, Croatia

September 2015

The main objective of this training course is improving young people's Information and Communication Technology (ICT) competences needed for successful initiation, implementation and promotion of activities/projects outreaching young unemployed people.

ACTIVITY DATES	19/09 - 27/09 2015
LOCATION	Vukovar, Croatia
No. OF WORKING DAYS	7
PARTICIPANTS	2 per organization
ORGANIZERS	Youth Peace Group Danube & South East European Youth Network

SPECIFIC OBJECTIVES OF THIS TRAINING:

- Learn how to use different web and creative media tools for new/existing project with special accent on outreaching young unemployed people (such as blogs, web sites, social networks, audio/video messages, mobile phone applications, etc.)
- Learn about Social Software and ICT and their practical usage within the Civil Society Organizations
- Raise awareness of the young people's (un)employment reality in Europe
- Gain examples of good practice in fighting the unemployment of young people
- Learn about effective virtual communication with young unemployed people
- Share project/activity/campaigns (product) ideas with others
- Learn about possibilities and funds available for increasing youth employability, mobility and participation in society
- Put in practice new knowledge
- Networking, sharing ideas and future plans for mutual activities with other participants
- Promote Erasmus + as tool for cooperation

WHY THIS PROJECT IS FOR YOUR ORGANIZATION:

- your organization is actively working with young people
- you are interested in topics as ICT and social software/media tools
- you are interested in employment improvement of young people
- you have knowledge and practice of non-formal education and learning
- you are committed to applying newly gained skills in your communities and within your organisation in future
- you are reliable and responsible partner
